## Nick's Letter of Resignation

1/4/2021

Dear Bowls Matua - President, Board and Members,

Re: Letter of Resignation

Please accept my notice of resignation with my last day of work as of the end of April.

I have enjoyed my employment by Bowls Matua as Office Administrator which commenced in November 2013.

I have served under several presidents and board members, through this time and have been impressed by the dedication of elected members and the many volunteers. I have done my best to accommodate the changing demands required to support the club and volunteers.

It has been a privilege to be part of the club and enjoy the social environment with the beginnings of becoming a bowler.

My decision to retire is based on my health and a desire to be more involved with family projects and physical activity such as bowls and sailing.

I wish the club all the best for managing the changes in banking, technology and projects that help the club prosper.

I am particularly grateful for the support from mentors and life members who have supported my work over the last seven years.

Regards

Nick Hacking
