News From The Board

To all members and their families

Have a fun filled **Merry Xmas** and take care of each other. Celebrate **New Year** in style and we look forward to seeing you all on the greens or in the Clubrooms in 2022

A big thank you to all members who generously offered their support to the Club by way of donation and loan to enable the upgrades of green one and two.

Club Captains Ramblings

Well what a year it has been,

It started with losing green one and then all the hullabaloo of Covid, but what has remained constant is our incredible club spirit and camaraderie.

We have a culture of fellowship which I'm sure is the envy of many other clubs, but please make sure that we extend that fellowship to newer members whenever possible.

Can I take this opportunity to thank our large band of volunteers: General maintenance, Lawn mowing, Rolling, Green marking, Set up, Match committee, Bar duties, Kitchen duties, Inter Club, Twilight, Corporate events, the list goes on and on, but the club would cease to function without the many people who give up their time for us. Please consider putting your name forward to help out if you possibly can.

The club has acquitted itself quite well at interclub this year and we have a number of up and coming players to swell our ranks next year.

Can I thank you all for the manner in which everyone addressed our Covid response protocol which has gone very smoothly.

Finally to the many people who rallied behind our capital raising for Project Rethink a huge thank you, again a reflection of our tremendous club spirit.

I wish everyone a very Happy Christmas and a Healthy New Year

Derek Vincent

Art Classes are held Tuesdays in the Legacy room

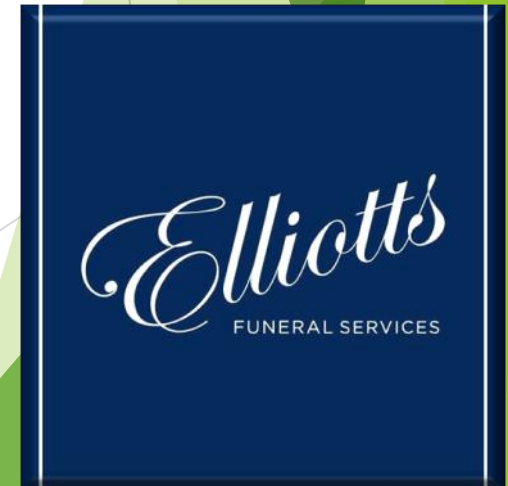

Have a cool refreshing drink on Mike. Our thanks to the family of Mike and Faye Spring.

Thanks to Matua Residents Assn for their generous gift of two aircon units to improve the comfort of Legacy room users

The Board is investigating the feasibility of catching the water from the roof and storing in two tanks to use when watering the greens.
