Welcome

to the Mount Pickleball Club

Their club has started playing Pickleball on the tennis courts and they were looking to use our facilities for refreshments and to store their gear.

To ensure that we do not breach liquor licencing requirements their members have signed up as Social members of our Club, and in return they are storing their gear in the original paint shed next to Green 3.

Please make their members feel welcome to our Club

The hired help didn't turn up to assist Ben, the SOS went out and these willing members lent a hand, **thank you guys**
