### Steps

#### Steps are not seats

Signage has been placed on the portable steps around our greens to ask that they are not to be sat on. There is adequate proper seating around all greens.

### Coaching Resources

The club has been lucky to have dedicated volunteers offering their coaching knowledge, often not full appreciated or made use of.

With a newly qualified coach in Eddie Boschat the Club is putting resources into this area but it will only succeed if members seek the guidance of, or direct new members towards, these valuable resources.

Even those with many years on the greens may have their game moved up a notch with a suggested tweak or two.

Even competitors at the highest level of international sport have a coach behind the.

### Your Club needs you!!!

Volunteers are needed to help in the kitchen, especially on Tournament days. No baking skills required.

We would like to have a small group of people who can attend to the chores that till recently Sally and Hilary have diligently attended – Thank you ladies

Let Diana or Richard know if you would like to be on a roster. NB This is a gender-neutral task.

## Etiquette of Bowls

Some of our members, especially those new to the game, may not be familiar with all the rules and expectations of the game of Bowls and the Club.

Our more experienced members should **tactfully and quietly** point these matters. Hollering from the other end of the green is not the way to offer advice. Every now and again we see examples that must make new members wonder just what is going on.

We hope to have Allan Gordon giving some gems of advice before play on Fridays when numbers are greatest.

### Omokoroa Lizards – Winner Division A

Janet Burmiester, Dawn Neil, Annette Hawkins, Ruth Lynch, Lynda Boschat, Angela Stephen

### Mount Red – Winners Division B

Adele Duckworth, Celeste Henderson, Cheryl Pelham, Meredith Pottage, Faye Scott, Mary Conroy
