Having an issue with players or Club matters?

If you have concerns with matters of etiquette displayed by a club member, or maybe you are not happy about something about the Club then please approach Club Captains Lynda and Max who can then address the matter appropriately.

We cannot attend to matters that we do not know about.

Pub Charity™ Limited

We are pleased to advise the Club has been successful with a grant of \$5,500 from Pub Charity towards purchasing 20 sets of bowls for twilight, corporate and social activities. The club is contributing \$1,000 towards the purchase.

Thank you, Pub Charity.

Steps

Steps are not seats

Signage has been placed on the portable steps around our greens to ask that they are not to be sat on.

There is adequate proper seating around all greens.

Coaching Resources

The club has been lucky to have dedicated volunteers offering their coaching knowledge, often not full appreciated or made use of.

With a newly qualified coach in Eddie Boschat the Club is putting resources into this area but it will only succeed if members seek the guidance of, or direct new members towards, these valuable resources.

Even those with many years on the greens may have their game moved up a notch with a suggested tweak or two.

Even competitors at the highest level of international sport have a coach behind the.

Thanks to the volunteers who helped with preparing and painting of the outside blockwork and greens surrounds. Still work to be done but looking good so far.
