Plastic Drink Bottles

Players have been leaving these lying around with the caps removed and just left on the ground. Please place your rubbish in the bins provided around the greens.

Would you be able to leave your empty bottles around at home, I don't think so, so please put your rubbish in the bins provided.

Drink Fountain

This has been installed at the end of Green 1, cups will not be put out. So please bring your own cup or water bottle and fill it.

If you use a cup from the clubrooms, please return it. If you don't somebody else has too. Broken Cups become a Health & Safety issue if broken
