## Kitchen Vinyl Update

Most of you are aware that the vinyl replacement in the kitchen hit a snag with Asbestos under the vinyl.

The exposed area has been temporarily taped and will be further addressed on Monday 18<sup>th</sup> so there will be no issue for the Margaret Sadler Tournament.

The following week will be more disruptive and the program is set out below.

At this stage the removal will be on the Wednesday so the building will need to be clear. If manpower allows, they may complete setup and cleanout on the Tuesday though either way the kitchen will not be available until clearance given most likely on the Thursday PM.

The most likely groups to be affected will be Bolivia and Wednesday rollup tea break – play on greens not an issue.
